

Journal of the Hong Kong College of Radiologists

香港放射科醫學院雜誌

Vol. 8 No. 1, 2005

C O N T E N T S

Editorial

- 'Validation' of Advanced or Specialised Radiology Techniques
YL Chan 3

Original Articles

- Use of Diffusion-weighted Magnetic Resonance Imaging to Differentiate between Acute Benign and Pathological Vertebral Fractures: Prospective Study
WW Yao, MH Li, SX Yang, LL Zhu 4
- Evaluation of Positron-emission Tomography in the Diagnosis of Primary Tumours in Patients Presenting with Metastases: Prospective Study **CME**
TK Au Yong, CP Wong, YK Leung, KS Chu, WCM Tong 9
- Bronchial Artery Embolisation for Acute Massive Haemoptysis: Retrospective Study **CME**
LF Cheng, EPY Fung, TYW Hon, TKL Loke, SS Lo, JCS Chan 15
- Transarterial Embolisation for Major Iatrogenic Renal Vascular Injuries: Retrospective Study
AN Sy, WK Tso, KS Tai, JCW Tsang, KS Tung, L Leong 20

Review Articles

- Cardiotoxicity after Adjuvant Anthracycline-based Chemotherapy and Radiotherapy for Breast Cancer
TK Yau 26
- Preoperative Chemotherapy for Breast Cancer: Theoretical Considerations, Summary of Research Findings, and Clinical Recommendations
M Cheung 30

Technical Note

- Intraoperative Gamma Probe for Sentinel Node Localisation: Evaluation Study
SK Yu, KM Ma, KN Wong, J Leung, LC Leung 40

Case Reports

- Omental Lymphangioma with Torsion: Case Report
FCY Lam, TW Fan, KF Chan, WY Leung, NSY Chao 49
- Phlebosclerotic Colitis: an Unusual Cause of Ischaemic Colitis in a 65-year-old Man
TJ Ho, CW Cheung, WM Wong, FL Chan 53
- Distant Metastases as Primary Presentation of Gastric Cancer: Report of 3 Cases
T Puri, G Gunabushanam, DN Sharma, PK Julka 59

Imaging Pathological Correlation

- Incidental Pelvic-mass Venous Aneurysm in a 58-year-old Man
A Li, YYR Chan, CY Lui, S Lau, KL Mak, HS Lam 63
