### OPT-IN FOR RECEIVING HARD COPY OF HONG KONG JOURNAL OF RADIOLOGY

Since its inaugural issue in 1998, Hong Kong Journal of Radiology (HKJR) has been mailed to all members of Hong Kong College of Radiologists (HKCR) as part of their membership benefit and also to all contributors including the Honorary Advisors and Reviewers during their term of appointment. In addition, the HKJR website [www.hkjr.org](http://www.hkjr.org) provides free full-text archives of all articles from the issue of Vol. 4 No. 2, 2001 onwards, with advanced search features. The HKJR website is also redesigned and optimized for a variety of screen sizes ranging from smartphones, netbooks and tablets, to laptops and desktop screens; offering high readability of the website content.

To help reducing our carbon footprint, the HKCR Council resolved that an **OPT-IN approach** would be adopted. **HKCR members and contributors who wish to receive their hard copy of HKJR starting with the Vol. 23 No. 1, March 2020 issue will need to "OPT IN"** by returning below completed form to HKCR Secretariat Office by mail or by email at [hkjr@hkcr.org](mailto:hkjr@hkcr.org) or by fax at (852) 2554 0739:

*I would like to OPT IN to receive the hard copy of the HKJR\**
