PRESIDENT'S JOTTING

Every year the College's functions reach a climax in the last week of October, aptly described by our College's Secretariat as the "Golden Week", in which the College held the Joint Final Examinations, Joint Admission Ceremonies, Ho Hung Chiu Lecture, Dinner of the Colleges, and Annual Scientific Meetings continuously over 6 days. Even more, we had the Third Biennial Joint Scientific Meeting this year.

During the 2009 Joint Admission Ceremonies, Dr. CH Leong was conferred an Honorary Fellowship for his many outstanding achievements as well as his long, distinguished and dedicated service in different capacities to the College. This year, we also had the College's first conferment of Honorary Members. It is a new category in our College membership, specially established to honour those personalities whose contributions have been vital for the proper functioning of our College. Mr. Charles Chan, Dr. KY Cheung and Mrs. Mabel Lui were our first batch of Honorary Members. On this historic occasion we had the highest attendance on record - at the Dinner of the Colleges, over 210 participants, and at the 3rd Joint Scientific Meeting, over 640 registrants. The week was really full of fun and sweat. Everybody got excited if not exhausted.

Over the past few issues of the Newsletter, I have been reporting on matters relating to the electronic format of FRCR Examinations. After a series of fruitful and most encouraging discussions with the RCR Examiners in the Golden Week, our College decided to go electronic earlier than in 2011. A representative from the Council will go to observe the London Examination this coming Spring to get first hand information on the details and logistics. Our tentative plan is to fix the system and hold training sessions in the Summer of 2010 for potential candidates before full implementation in the Autumn of that year.

The College continues to be actively participating in various educational activities all over the world. In September, Dr. Lilian Leong represented the College to attend 全國醫學影像技術新進展與臨床應用學習班暨第十三屆全國醫學影像學學術研討會 in Shenzhen. In October just before our ASM, I attended the Annual Admission Ceremony and Annual Meeting of RANZCR in Brisbane and had exchanged ideas on College matters with their Council Members. Please refer to a separate article in this issue of the Newsletter. In November, Dr. Leong attended the International Radiology Trends Meeting at the RSNA 95th Scientific Assembly and Annual Meeting in Chicago. Locally we had also promoted an international relationship - the College Council had a dinner gathering with Dr. Gary Becker and Mr. Mark Watson, President and Executive Director of RSNA respectively, on 13 October 2009.

On the house-keeping side, the College Council has over the years been looking for additional storage space due to the ever-expanding membership and activities, with the parallel growth in volume of documentations, and the limited possibilities of extension within the Academy Building. On reading the latest issue of the RCR Newsletter, I am sure everybody would admire the wisdom and foresight of RCR in acquiring a magnificent multi-storey building in Holborn for her headquarters. I hope very much that, in the not too distant future, our College will have the good fortune and the means to follow suit.

As this issue is the first one after the AGM 2009, I would like to take the opportunity to thank the outgoing Council members, Dr. Peter Choi, Dr. Susan Chan and Dr. Frankie Choi, and welcome Dr. Lui Chun Ying, Dr. Lok Chiu Ming and Dr. Jack Shu. I would also like to congratulate Dr. Anne Lee as our incoming Vice-President. Again, I wish to thank the Council, the Committees, Subcommittees and the Secretariat for their dedicated services which ensured the smooth and efficient operation of the College in 2009.

Christmas is coming. On behalf of Council Members and myself, I extend to all Fellows and Members our warmest wishes for a Merry Christmas and a Happy, Healthy and Prosperous New Year 2010!

Chun-key Law

November 2009

Message from the Editor

It is with great pleasure and honor that I took over the position of Editor of our College Newsletter. First of all, I would like to thank my predecessors Dr. Yik Wong, Dr. Daniel Chua and Dr. Hon Shing Lam who had done a tremendously successful job in the past years in establishing a very good standard of the Newsletter. In this issue, we have a new section of 'Do You Know?', hoping that readers especially young radiologists would find it interesting and have more understanding about our College. The first 'Do You Know?' is about Gold Medals. We will bring you some more interesting topics about our College in the coming Newsletters. Please feel free to let us know if anything you would like to know more about our College; or if you know our College very well, we welcome you to provide us information to share with our readers. Lastly, I would like to extend my warmest thanks to Dr. Jennifer Khoo and the Newsletter Subcommittee members as well as Ms. Karen Law and the College Secretariat for their invaluable contributions to the Newsletter. I hope you enjoy reading our Newsletter and I wish you all a Merry Christmas and a Happy New Year!

Dr. Chun Ying LUI

Email: chunyinglui@hkcr.org.hk

17th Annual General Meeting of Hong Kong College of Radiologists, 15 September 2009

The 17th Annual General Meeting of HKCR was held on 15th September 2009 at Seminar Room K3-32, Level 3, Block K, Department of Radiology, Queen Mary Hospital, Hong Kong. Our new College Council now consists of: Dr. Law Chun Key as President, Dr. Khoo Lai San Jennifer as Senior Vice-President, Dr. Lee Wing Mui Anne as Vice-President, Dr. Lam Hon Shing as Warden, Dr. Cheung Chi Wai Stephen as Honorary Secretary, Dr. Tong Cheuk Man as Honorary Treasurer, Dr. Chan Chi Sang James, Dr. Chan Tze Mun, Dr. Chan Yu Leung, Prof. Sham Shun Tong Jonathan and Dr. Wong Yiu Chung as Council Members. In addition, Mrs. Mabel Lui and Mr. Charles Chan were reappointed as our Honorary Legal Advisor and Honorary Auditor respectively.

COLLEGE EXAMINATIONS SUCCESSFUL CANDIDATES

Joint Final Examinations for Fellowship – October 2009

Clinical Radiology

Date: : 27-29 October 2009
 Venue: : 3/F, Block H, Department of Radiology, Queen Mary Hospital
 Examiners : Dr. Liam McKnight (Senior Examiner), Dr. Joanna Fairhurst (Examiner), Dr. Kwok Chong Hei Philip (Examiner), Dr. Chau Ming Tak (Examiner), Dr. Khoo Lai San Jennifer (Examiner), Dr. Loke Kwok Loon Tony (Examiner), Dr. Lau Po Chung Shirley (Observer)

SUCCESSFUL CANDIDATES

CHO Chi Min Carmen (Prince of Wales Hospital), CHOU Qi Hua Sandas (Queen Elizabeth Hospital), CHU Ka Man (Queen Elizabeth Hospital), CHU Wai Pong (Princess Margaret Hospital), HUI Kei Tat (Queen Mary Hospital), LAI Siu Ho Andrew (Queen Mary Hospital), LAU Hin Yue (Tuen Mun Hospital), LAU Wing Hang Vince (Queen Mary Hospital), LAW Chun Yat (Kwong Wah Hospital), LEUNG Kam Wing (Pamela Youde Nethersole Eastern Hospital), LO Xu Ning Adrian (United Christian Hospital), MAK Wing Sze (Princess Margaret Hospital), TAM Chi Wai (Pamela Youde Nethersole Eastern Hospital), TONG Shin Loong Cina (Prince of Wales Hospital), TSE Kin Sun (Queen Elizabeth Hospital), WAI Wing Chong (Queen Elizabeth Hospital), WONG Cheuk Kei Kathy (Tuen Mun Hospital), WONG Jeffrey James (Tuen Mun Hospital), WONG Kwok Chun (Kwong Wah Hospital), WONG Man Fung (Pamela Youde Nethersole Eastern Hospital)

Clinical Oncology

Date : 28-29 October 2009
 Venue : 4/F, Block R, Department of Clinical Oncology, Queen Elizabeth Hospital
 Examiners : Dr. Seamus McAleer (Senior Examiner), Dr. Colin Trask (Examiner), Dr. Au Siu Kie (Examiner), Dr. Yau Chun Chung (Examiner), Dr. Yu Kwok Hung (Examiner), Prof. Kwong Lai Wan Dora (Observer)

SUCCESSFUL CANDIDATES

CHANG Tien Yee Amy (Pamela Youde Nethersole Eastern Hospital), CHOI Kwok Keung Calvin (Tuen Mun Hospital), POON Ming Chun (Prince of Wales Hospital), SZE Chun Kin (Pamela Youde Nethersole Eastern Hospital)

FRCR 2010 Examination Schedule

The Royal College of Radiologists – Examination Calendar 2010

Spring 2010

| | |
|--|---|
| Monday, 1 March 2010 | First FRCR in Clinical Oncology (Cancer Biology & Radiobiology / Clinical Pharmacology) |
| Tuesday, 2 March 2010 | First FRCR in Clinical Oncology (Medical Statistics / Physics) |
| Monday, 8 March 2010 | First FRCR in Clinical Radiology (Physics) |
| Tuesday, 9 March 2010 | First FRCR in Clinical Radiology (Anatomy) |
| Wednesday, 10 March 2010 | First FRCR in Clinical Radiology (Anatomy) |
| Monday, 22 March 2010 | Final FRCR (Part A) in Clinical Radiology (Cardiovascular / Musculoskeletal) |
| Tuesday, 23 March 2010 | Final FRCR (Part A) in Clinical Radiology (Gastro-intestinal / Genito-urinary) |
| Wednesday, 24 March 2010 | Final FRCR (Part A) in Clinical Radiology (Paediatrics / Neuroradiology) |
| Monday, 29 March 2010 | Final FRCR in Clinical Oncology (Written Papers) |
| Monday-Friday, 12-16 April 2010 | Final FRCR (Part B) in Clinical Radiology |
| Saturday & Monday–Thursday, 24 & 26-29 April 2010 | Final FRCR in Clinical Oncology (Oral and Clinical Examinations) |

Summer 2010

| | |
|------------------------|---|
| Monday, 7 June 2010 | First FRCR in Clinical Radiology (Physics) |
| Tuesday, 8 June 2010 | First FRCR in Clinical Radiology (Anatomy) |
| Wednesday, 9 June 2010 | First FRCR in Clinical Radiology (Anatomy) |

Autumn 2010

| | |
|--|---|
| Monday, 6 September 2010 | First FRCR in Clinical Oncology (Cancer Biology & Radiobiology / Clinical Pharmacology) |
| Tuesday, 7 September 2010 | First FRCR in Clinical Oncology (Medical Statistics / Physics) |
| Monday, 13 September 2010 | First FRCR in Clinical Radiology (Physics) |
| Tuesday, 14 September 2010 | First FRCR in Clinical Radiology (Anatomy) |
| Wednesday, 15 September 2010 | First FRCR in Clinical Radiology (Anatomy) |
| Monday, 20 September 2010 | Final FRCR (Part A) in Clinical Radiology (Cardiovascular / Musculoskeletal) |
| Tuesday, 21 September 2010 | Final FRCR (Part A) in Clinical Radiology (Gastro-intestinal / Genito-urinary) |
| Wednesday, 22 September 2010 | Final FRCR (Part A) in Clinical Radiology (Paediatrics / Neuroradiology) |
| Monday, 27 September 2010 | Final FRCR in Clinical Oncology (Written Papers) |
| Monday-Friday, 4-8 October 2010 | Final FRCR (Part B) in Clinical Radiology |
| Saturday & Monday–Thursday, 16 & 18-21 October 2010 | Final FRCR in Clinical Oncology (Oral and Clinical Examinations) |

DO YOU KNOW??

A variety of Medals will be awarded to the candidate with outstanding performance in different part of the College examination. This section gives the background and details of these awards.

Frank Doyle Medal

Professor Francis Henry Doyle was Professor of Radiology at Hammersmith Hospital, London and served as a member of the Council of the Royal College of Radiologists. The Frank Doyle Medal for Clinical Oncology, endowed in 1984 after Professor Doyle donated his remaining research funds to the College, is awarded at each sitting of the First FRCR Examination to the highest scoring candidate who passes all four subjects together at the first attempt. The Faculty of Clinical Radiology took the same approach until the examination format was changed in 2002. From 2004 the medal has been awarded on the basis of performance in the Final FRCR Part A Examination.

Rohan Williams Medal

Dr. Ernest Rohan Williams was a director of the radiology department at St. Mary's Hospital, London and President of the Faculty of Radiologists. The Rohan Williams Medals, endowed in 1965 by donations in memory of Dr. Rohan Williams, can be awarded by each faculty at each sitting of the Final Examination for the Fellowship to an exceptional candidate being successful at the first attempt.

Dr. F.L. Chan Medal

Dr. F.L. Chan Medal, endowed in 2007 by the fundamental donation from Mr. Wong Man Wai, the father-in-law of Dr. FL Chan, in memory of late Dr. F.L. Chan, former Warden of Hong Kong College of Radiologists. The Medal is awarded to the candidate with outstanding performance during the Higher Training and in Exit Assessment with their first attempt. The assessment for the Medal is based on various aspects including comments from the Training Head of the training centre, contribution to the development of service / specialties, enhancement of service of the specialties, contribution to educational activities, publications, research activities, administrative duties, performance during the Exit Assessment. The Medal is awarded by a separate Assessment Board based on the recommendation of the Exit Assessment Assessors of the three specialties.

Dr. WONG Kwok Chun from Department of Radiology, Kwong Wah Hospital and Dr. SZE Chun Kin from Department of Clinical Oncology, Pamela Youde Nethersole Eastern Hospital had been awarded the Rohan Williams Medal in the 2009 Autumn Joint Final Examination for the Fellowship in Clinical Radiology and Clinical Oncology respectively. Other candidates who received the honors for their outstanding performance include:

Dr. FL Chan (Rohan Williams Medal - 1975)
 Dr. Susan CH Chan (Frank Doyle Medal - 1984)
 Prof. Jonathan ST Sham (Rohan Williams Medal - 1985)
 Dr. CC Yau (Frank Doyle Medal - 1988)
 Dr. Tina PW Lam (Frank Doyle Medal - 1992)
 Dr. Harry HY Yiu (Frank Doyle Medal - 1993)
 Dr. MY Luk (Frank Doyle Medal - 1995)
 Dr. Stephen CW Cheung (Frank Doyle Medal - 1997)

Dr. MY Luk (Rohan Williams Medal - 1997)
 Dr. Stephen CW Cheung (Rohan Williams Medal - 2000)
 Dr. YP Lee (Rohan Williams Medal - 2005)
 Dr. Alice KP Wu (Frank Doyle Medal - 2005)
 Dr. Conrad CY Lee (Frank Doyle Medal - 2006)
 Dr. Vincent Lai (Rohan Williams Medal - 2007)
 Dr. KO Lam (Frank Doyle Medal - 2008)
 Dr. KY Kwok (Rohan Williams Medal - 2008)

Some Thoughts Shared by the Medalists 2009

The Joint Final Examination of Clinical Radiology marked the end of my basic radiology training. The preparations throughout the year helped me to pass the examination, and more importantly, to prepare myself for patients I may serve in the future. As everyone knows, it is only the beginning, it is not the end. It is clear that I, as a trainee radiologist, have to continuously strike hard for success, especially in this changing world of technology and information.

“Success is not final, failure is not fatal: it is the courage to continue that counts.” This famous quote from Sir Winston Churchill would be the best wisdom that I can share with my fellow colleagues. One will face a lot of ups and downs before and during the examination. One will be encouraged or discouraged in the preparation courses in some ways. After all, the one important thing to be remembered is: Never give up even when you think you can't bear it anymore.

Finally, I'd like to take the opportunity here to deliver my deepest thanks and appreciation to all who help me through this examination. Firstly, I'd like to thank my family for their love and support. Thanks to The Hong Kong College of Radiologists and everyone who contributes to the College to make it what it is now. Of course, I have to thank my boss and all my colleagues for their teachings and advices on not only work and study, but also personal values and career development.

Dr. WONG Kwok Chun
November 2009

I am extremely honoured and, at the same time, deeply humbled to be awarded the gold medal in the FRCR part II examination this autumn. It is like a dream come true.

The FRCR part II examination is acknowledged as the most challenging step that every trainee of clinical oncology must go through to become a specialist. It has been a tough task to prepare for the examination. All in all, I consider all the hard work worthy and the whole process enjoyable. Now that I have passed the examination, I am very happy and ready to face greater challenges ahead. I wish to devote myself to serve cancer patients and participate actively in clinical researches.

Passing the examination and winning the gold medal are definitely not my own accomplishment alone. I owe my achievement to all those who had helped me. In particular, I need to express my greatest gratitude to the Department of Clinical Oncology, Pamela Youde Nethersole Eastern Hospital for providing me with a good learning environment. The attachment to the Queen Elizabeth Hospital had also broadened my vision and stimulated my mind in working with different practices.

Finally, I deeply appreciate that the training programme of clinical oncology in Hong Kong has become more well organized and structured in recent years, thanks to the work of our College. I regard my achievement as a tribute to all dedicated staff and, in particular, trainers who have been relentlessly promoting the continuous development in training in Hong Kong.

Dr. Henry SZE Chun Kin
November 2009

3rd Joint Scientific Meeting of The RCR & HKCR and 17th Annual Scientific Meeting of HKCR Joint Ceremonies for the Admission of New Fellows of The Royal College of Radiologists & Hong Kong College of Radiologists The Tenth Ho Hung Chiu Lecture Dinner of the Colleges 2009

A series of exciting activities were held at the Hong Kong Academy of Medicine Jockey Club Building on 31st October and 1st November 2009.

The 3rd Joint Scientific Meeting of The RCR & HKCR and 17th Annual Scientific Meeting of HKCR was held successfully, with over 640 delegates registering for the event. We received a total of 94 submissions of abstracts, of which 65 were accepted: 25 as oral presentations, and 40 as posters. The awards winners of the various prizes are as listed below.

The Education and Research Fund of our College sponsored 1 young radiologist from Vietnam and 2 young radiologists from Mainland China this year to attend the Joint Meeting.

Renowned speakers from overseas and local had delivered lectures on various topics, including special focus lectures on abdominal imaging and intervention, gastrointestinal oncology and palliative care. Three talented radiologists were invited to share their artwork in a photo exhibition held at the ASM venue.

On Saturday 31st October 2009, the evening started off with the Joint Ceremonies for the Admission of New Fellows of The Royal College of Radiologists & Hong Kong College of Radiologists. Dr. Leong Che Hung, GBS, OBE, JP, was admitted to the Honorary Fellowship of Hong Kong College of Radiologists. Mr. Chan Wai Dune, Charles (Honorary Auditor of our College), and Mrs. Mabel M. Lui, JP (Honorary Legal Advisor of our College) were admitted to the Honorary Membership. Dr. Cheung Kin Yin (Senior Physicist and Head of Medical Physics Unit, Department of Clinical Oncology, Prince of Wales Hospital) could not attend the Ceremony that evening, and was admitted to Honorary Membership in absentia.

Just after the Admission Ceremony for new fellows of the RCR, Professor Andy Adam presented the Rohan Williams Medal to Dr. KWOK Kai Yan of Queen Elizabeth Hospital for his exceptional performance at the Autumn 2008 sitting of the Joint Final FRCR/FHKCR Examination in Clinical Radiology. Professor Adam then announced the award of the medals for the Autumn 2009 sitting of the Joint Final FRCR/FHKCR Examination in Clinical Radiology to Dr. WONG Kwok Chun of Kwong Wah Hospital, and in Clinical Oncology to Dr. SZE Chun Kin of Pamela Youde Nethersole Eastern Hospital.

Radiology colleagues, family and friends came to this historical occasion to show their support for our newly admitted Fellows.

After the Joint Ceremonies, Professor Y.C. Richard Wong, PhD, SBS, JP, Professor of Economics, Deputy Vice-Chancellor and Provost of The University of Hong Kong, delivered the Tenth Ho Hung Chiu Lecture entitled "The Rise of the Services in Hong Kong: Cross Border Implications for Health and Education".

The Dinner of the Colleges was then held at the Run Run Shaw Hall. Successful candidates brought their friends and families along to these memorable events.

Our College would like to thank members of the Scientific and House Subcommittees for organizing these events, our colleagues who have helped us as chairpersons, abstract reviewers, judges and adjudicators for the various prizes and awards, our sponsors for their enthusiastic support, the AV team, our secretaries, college secretariat, and other helpers, including our higher trainees in their support and co-ordination of the various activities.

List of Awards:

The HKSDR Trust Fund Award for the Best Oral Presentation in Radiology:

Dr. CHAN Ling Ling
Department of Diagnostic Radiology, Singapore General Hospital
Hemifacial spasm: Case control MR volumetry of the posterior fossa

HKSDR Trust Fund Award for the Best Radiology Poster:

Dr. GU Jing
Department of Diagnostic Radiology, The University of Hong Kong
Correlation study of quantitative indexes from DWI and PET/CT in primary rectal cancer

Best Poster Awards:

1st runner-up:
Dr. KWOK Wing Kong
Department of Diagnostic Radiology, North District Hospital
Mammographic & ultrasound features of male breast diseases
2nd runner-up:
Dr. CHOW Hung Lit
Department of Radiology, Kwong Wah Hospital
Radial tear of meniscus near its posterior root: An important and easily overlooked tear

The Young Presenter's Award

Radiology Stream

Dr. CHAN Sze Wun Winnie
Department of Radiology, Tuen Mun Hospital
Pre-procedure prognostic factors in predicting survival of cirrhotic patients after radio-frequency ablation of hepatocellular carcinoma

Clinical Oncology Stream

Dr. HO Pui Ying Patty

Department of Clinical Oncology, Queen Mary Hospital

Using 90Y ibritumomab tiuxetan (zevalin) on Chinese patients – Experience of Queen Mary Hospital

RANZCR/AIR/FRO/ACPSEM Combined Scientific Meeting 2009, 22 - 25 October 2009, Brisbane, Australia

On 22-25 October 2009, I represented the Hong Kong College of Radiologists to attend the 60th Annual Scientific Meeting of the Royal Australian and New Zealand College of Radiologists (RANZCR) in Brisbane. This year the meeting was combined with the RANZCR Faculty of Radiation Oncology (FRO), Australian Institute of Radiography (AIR) and the Australian College of Physical Scientists & Engineers in Medicine (ACPSEM) with a theme of "Collaboration: Working and Learning Together." The scientific programme was fully packed with many parallel sessions, so were the social ones. I attended many high quality lectures and met, chatted and dined with many old friends of Hong Kong, including Prof. Kian Ang, Prof. Brian O'Sullivan and Prof. Peter Hoskin.

On 23rd October, I was invited to join the platform party for the Annual Ceremony of RANZCR in which over 100 new Fellows were admitted. Prof. Mark Khangure, President of RANZCR, explained to me that after years of effort and overcoming many hurdles, their College could eventually confer Fellowships without examinations to distinguished, very experienced and well qualified radiologists who have been serving Australian people for decades. Dr. Wong Kai-ping was one of the many Hong Kong Fellows who was honoured that night. Together with the presentation of numerous prizes, conferment of a multitude of sponsored or College honours, and the thought-provoking oration by Prof. Bruce Hillman, it was the longest ever College ceremony I had attended.

The next morning on 24th October, I had an informal discussion on College matters with Prof. Christopher Milross and Ms. Natalia Vukolova, Dean and Executive Officer of Faculty of Radiation Oncology, respectively. Here, I learned more about the structure and formation of their College Council. Through Natalia, I was introduced to Mr. Don Swinbourne, CEO of RANZCR, and Ms. Lisa Penlington, QA Manager and EO of Conjoint Committee for Recognition of Training in CT Coronary Angiography of RANZCR, to share their experience in organizing scientific meetings in cardiac imaging, as we will host ASCI 2011 in Hong Kong.

The night before I returned home, I went to the Gala Dinner of the College, with an attendance of nearly 2000! With Dr. KP Wong as my guide, I was able to locate old Hong Kong friends like Drs. Mark Soo, Michael Huang and Karen Ng. They all showed great interest in news about our College and our College's recent progress. Overall, I felt that my trip had been successful in fostering and strengthening the links with our Australian peers and old friends of our own College.

Symposium on "New Frontier on Targeted Therapy: Unmet Needs" Saturday, 12 September 2009

A symposium on "New Frontier on Targeted Therapy: Unmet Needs" organized by HKCR was held on 12th September 2009, at Hong Kong Academy of Medicine Jockey Club Building. The Symposium brought together clinical oncologists, radiologists and surgeons to discuss the latest advances in targeted therapies of renal cell carcinoma and neuroendocrine tumor. Renowned speakers including Prof. Ng Chi Fai Anthony, Dr. Kwong Wai Kay Philip, Dr. Lee Chi Yan Conrad, Dr. Teoh Yuen Bun Anthony and Dr. Cheng Chi Kin Ashley delivered the lecture at the symposium. Special thanks goes to Novartis Oncology for their sponsorship of the event.

*Dr. CK Law presented souvenir to distinguished speakers in the Symposium:

Call for Application of HKCR Education and Research Fund

HKCR Education and Research Fund is now opened for application to support research projects, conference attendance and other activities between July 1 and December 31, 2010

The objective of HKCR Education and Research Fund is to promote and assist career development, continuing education and research activities among members of Hong Kong College of Radiologists (HKCR) and international professional community.

Four Categories of Grants are available from the Fund:

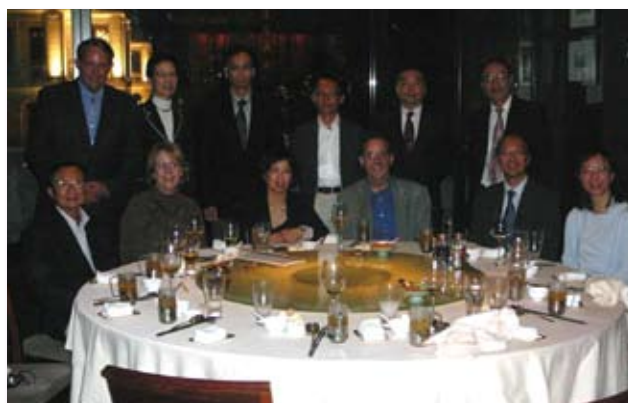

- I. Education grant to assist HKCR members for overseas advanced training and international conventions.
- II. Education grant for Mainland China and overseas radiologists to participate in activities organized by HKCR.
- III. Conference grant to assist HKCR members in organizing educational activities.
- IV. Research grant to assist HKCR members to conduct pilot study in basic and clinical research

The completed application form should be submitted to the Secretariat Office to the attention of the Chairman of the Committee of HKCR Education and Research Fund. Enquiries on details of grants and application forms can be directed to the College Secretariat.

Deadline for Application: April 15, 2010

A Dinner with President & Executive Director of RSNA, 13 October 2009

On Tuesday 13 October 2009, our College's President and the Council members hosted a dinner with the RSNA President, Dr. Gary Becker, and the Executive Director, Mr. Mark Watson, at Yè Shanghai, Tsim Sha Tsui, to discuss the mutual topics of interest in radiology education and service development.

*Back row (from left to right): Mr. Mark Watson, Dr. Jennifer Khoo, Dr. YC Wong,
Dr. Stephen Cheung, Dr. TM Chan, Dr. CS Chan
Front row (from left to right): Dr. Hector Ma, Mrs. Patricia Becker, Dr. Lilian Leong,
Dr. Gary Becker, Dr. CK Law, Dr. Anne Lee*

Membership Status

Our College has the following numbers of members as at 24 November 2009:

| STATUS | NUMBER |
|------------------|------------|
| Honorary Fellow | 11 |
| Honorary Member | 3 |
| Fellow | 364 |
| Member | 125 |
| Trainee Member | 32 |
| Associate Member | 0 |
| Total | 535 |

List of Trainee Members admitted from 15 September till 24 November 2009:

| ADMISSION DATE | NAME | SPECIALTY | TRAINING CENTER |
|-------------------|---------------------------|-----------|-----------------|
| 15 September 2009 | AU Ka Yan Alice | DR | PYNEH |
| 15 September 2009 | CHAN Wai Yee Lydia | DR | NDH |
| 15 September 2009 | CHENG Ka King | DR | KWH |
| 15 September 2009 | LI Yu Chung | CO | QEH |
| 15 September 2009 | SUNG Ham Tung | DR | PYNEH |
| 20 October 2009 | CHAN Ho Fung | DR | PWH |
| 20 October 2009 | NUNG Chi Hang | DR | PWH |
| 20 October 2009 | SITT Ching Man Jacqueline | DR | PWH |
| 20 October 2009 | TSE Teresa | CO | PWH |
| 20 October 2009 | YU Wong Li | DR | PWH |
| 24 November 2009 | YEUNG Ting Yan | CO | PWH |

List of Members admitted from 15 September till 24 November 2009:

| ADMISSION DATE | NAME | SPECIALTY | TRAINING CENTER |
|------------------|----------------------|-----------|-----------------|
| 20 October 2009 | CHO Kwan Yin | DR | QMH |
| 24 November 2009 | FOK Wing Shan Elaine | DR | QEH |
| 24 November 2009 | LAI Ming Hei | DR | PYNEH |
| 24 November 2009 | LEE Chi Yan | DR | TMH |
| 24 November 2009 | LEUNG Hoi Ying | DR | PWH |
| 24 November 2009 | SHEK Ka Wai | DR | QEH |
| 24 November 2009 | SHIU Chun Kit | DR | QEH |
| 24 November 2009 | WAN Wing Suet | DR | TMH |
| 24 November 2009 | YEUNG Tsz Wai | DR | TMH |

FORTHCOMING COLLEGE'S SCIENTIFIC ACTIVITIES

Scientific Seminar on "Radiation Treatment of Bone Metastases: Biased or Evidence-Based" Wednesday, 23 December 2009

| | | |
|---------|---|---|
| Topic | : | Radiation Treatment of Bone Metastases: Biased or Evidence-Based |
| Speaker | : | Professor Edward Chow MBBS, MSc, PhD, FRCPC Professor, Department of Radiation Oncology, University of Toronto |
| Date | : | 23 December 2009 (Wednesday) |
| Time | : | 5:30pm Refreshment 6:00pm – 7:00pm Lecture |
| Venue | : | Lecture Theatre, 12/F, Block R, Department of Clinical Oncology, Queen Elizabeth Hospital, 30 Gascoigne Road, Kowloon, Hong Kong |

CME/CPD accreditation :

Hong Kong College of Radiologists 1 CME/CPD point (Cat. A)

CME/CPD Accreditation from MCHK CME Programme is under application.

Seats for lecture are available on first-come-first-served basis.

RSVP: Miss Helen Shum Tel: (852) 2871 8788 Fax: (852) 2554 0739

More updated seminar information will be available at HKCR website: <http://www.hkcr.org>
