

# LONDON-HONG KONG HANDS-ON CMR COURSE

April 12-14, 2019

Co-Organised with

**Hong Kong College of Radiologists**

DR. BEN  
ARIFF | Consultant Radiologist  
Imperial College, UK

Case-based, practical  
hands-on review of at least 50  
cases, highlighting common  
and important pathologies

Get personal, individualized  
hands-on training using  
Circle CVI on independent,  
advanced workstations

Gain practical and clinically  
relevant understanding of CMR  
indication, image interpretation  
and optimisation, and reporting

Join us for this three-day course which offers dedicated, intense, individual and hands-on training and case-based learning.

## International Faculty

Dr. Ben Ariff MRCP FRCR FSCMR FSCCT PhD  
Consultant Cardiac Radiologist  
Imperial College NHS Trust

## Local Faculty

Dr. Stephen Cheung Chi Wai  
Consultant Radiologist  
Queen Mary Hospital Hong Kong

Dr. Kimmy Kwok  
Consultant Radiologist  
Kwong Wah Hospital Hong Kong

## Course Overview

- 3-day course with hands-on training on individual workstations
- Level 3, FSCMR accredited, course director, working in a high volume CMR and cardiac CT tertiary centre
- Case based learning with an emphasis on common and important pathologies and underscoring practical tips and tricks to improve image acquisition
- At least 50 cases reviewed with case by case mentorship
- An opportunity to rehearse constructing clinically relevant, succinct CMR reports
- Guidance and practice on how to perform volumetric analyses, flow and T1/T2\* mapping using dedicated software
- Cases and lectures contributing to level 1 SCMR accreditation
- Approved for 25 (Cat. A) CME/CPD points by the Hong Kong College of Radiologists

## Course Programme

Programme is accurate at time of release. Course organiser reserves the right to make changes to the course and programme without prior notice.

### Friday April 12, 2019

- 08:00 - 08:30 ● Registration & Welcome
- 08:30 - 09:00 ● Introduction
- 09:00 - 11:00 ● CMR Physics, Safety and Performing Cardiac MR
- 11:00 - 13:00 ● Using the Workstations and Anatomy and Function (Lecture & Hands-On)
- 13:00 - 14:00 ● Lunch break
- 14:00 - 14:30 ● Late Gadolinium Enhancement (LGE) & Ischemic Heart Disease (Lecture)
- 14:30 - 16:30 ● IHD - infarction; ischemia, viability & coronary arteries I (cases)
- 16:30 - 16:45 ● Break
- 16:45 - 18:00 ● IHD - infarction; ischemia, viability & coronary arteries II (cases)

### Saturday April 13, 2019

- 08:00 - 08:30 ● LGE and Cardiomyopathy (Lecture)
- 08:30 - 10:30 ● Cardiomyopathy I (Cases)
- 10:30 - 10:45 ● Break
- 10:45 - 12:30 ● Cardiomyopathy II (Cases)
- 12:30 - 13:30 ● Lunch Break
- 13:30 - 14:00 ● Optimising images and dealing with artefacts (Lecture)
- 14:00 - 15:30 ● Inflammation & Infiltration I (Cases)
- 15:30 - 15:45 ● Break
- 15:45 - 18:00 ● Inflammation & Infiltration II (Cases)

### Sunday April 14, 2019

- 08:00 - 08:30 ● Flow & Valves (Lecture)
- 08:30 - 11:15 ● Simple Congenital & Right Heart (Cases)
- 11:15 - 11:30 ● Break
- 11:30 - 12:00 ● T1 Mapping and T2\* (Lecture)
- 12:00 - 13:00 ● Lunch Break
- 13:00 - 13:30 ● Pericardial Disease & Cardiac Masses (Lecture)
- 13:30 - 15:15 ● Cardiac Tumours & Pericardial Disease (Cases)
- 15:15 - 15:30 ● Break
- 15:30 - 16:00 ● Coronary MRA, Anomalies & Aortic Disease (Lecture)
- 16:00 - 17:45 ● Aortic Disease & Coronary Artery Anomalies (Cases)
- 17:45 - 18:00 ● Questions, Certificates & Close

## Certification & CME Credits

Attendees will be awarded a certificate of attendance that includes mentored number of cases reviewed. Eligible attendees will also receive 25 (Cat. A) CME/CPD points from the Hong Kong College of Radiologists.

## Venue

Function Room 1-2, 2/F  
Hong Kong Academy of Medicine  
Jockey Club Building  
Hong Kong

## Registration

Early Bird Fee (until Jan 31)	HK\$ 12,000
Regular Fee (From Feb 1)	HK\$ 15,000
